OBJECTIVE

Aspiring Software Engineer with hands-on experience in Artificial Intelligence, Machine Learning, and Web Development. Seeking opportunities to apply technical knowledge, problem-solving skills, and innovative thinking to contribute to impactful projects.

EDUCATION

B.Tech in Computer Science and Engineering, Arjun College of Technology and Science 2021 – 2024
CGPA: 6.53

Diploma in Metallurgy, Jawaharlal Nehru Govt Polytechnic 2014 – 2017
Percentage: 71%

SSC, Pragathi Talent High School 2014
GPA: 8.0

SKILLS

Programming Languages	Java, C, Python
Web Technologies	HTML, CSS, JavaScript
Databases	MySQL
Tools & IDEs	Git, Visual Studio Code, Eclipse
Operating Systems	Windows, Linux

EXPERIENCE

Technical Trainer Nov 2024 – Feb 2025
CodeTantra, Hyderabad, Telangana

- Conducted training sessions on programming languages, enhancing students' coding and problem-solving skills.
- Developed interactive learning materials and hands-on coding exercises to improve learning outcomes.
- Collaborated with peers and students to ensure effective delivery of technical content.
- Continuously upskilled to include latest technologies in training modules.

AI/ML Internship Jun 2025 – Jul 2025
AICTE & Edunet Foundation

- Completed a 6-week internship in Artificial Intelligence and Machine Learning.
- Gained exposure to AI/ML algorithms, model building, and real-world applications.
- Applied data-driven techniques to problem-solving tasks during the program.

PROJECTS

YouTube Analysis using Machine Learning

Developed ML models to analyze YouTube comments and predict video popularity. Achieved 85% accuracy in detecting inappropriate content. *Technologies: Python, Keras, Pandas, NumPy, Scikit-learn, NLP, Computer Vision*

AI in E-Governance and Cybersecurity

Proposed an AI-powered framework to improve smart city cybersecurity, achieving a 30% increase in threat detection efficiency. *Technologies: Python, Keras, Pandas, NumPy, Scikit-learn, Machine Learning*

CERTIFICATIONS

- **AICTE Internship Certificate** – Completed 6-week internship on Artificial Intelligence & Machine Learning, in collaboration with Edunet Foundation (Jun 2025 – Jul 2025).

STRENGTHS

- Strong time management and organizational skills.
- Effective communication and teamwork abilities.
- Quick learner with a proactive attitude toward acquiring new skills.
- Self-motivated and adaptable to challenging environments.
